Notice of Non-Compliance

Dear Judge Chesler:

On June 17, 2002, Pedro Santiago was sentenced by the Honorable John C. Lifland, U.S. District Judge, to 77 months imprisonment, to be followed by a five-year term of supervised release for the offense of Conspiracy to Distribute Narcotics. The offender was ordered to pay a \$100 special assessment and abide by the special conditions of drug testing and/or treatment and DNA collection. Santiago has been supervised by this office since his release from confinement on November 17, 2005.

As the Court is aware, on October 1, 2009, Santiago appeared before Your Honor for a violation of supervised release (committing a new crime) and was sentenced to 6 months imprisonment, to be followed by a one-year term of supervised release. On March 9, 2010, Santiago was released from confinement and commenced supervision.

The purpose of this letter is to report Santiago's non-compliance with the conditions of his supervision. During an office visit on May 4, 2010, Santiago submitted a urine specimen which tested positive for marijuana, cocaine, and ecstasy. Santiago admitted using drugs on May 2, 2010.

Santiago has acknowledged his acts of non-compliance and requested assistance from our office. During an office visit on May 4, 2010, Santiago was provided with NA meeting information and directed to attend weekly meetings. In addition, our office has increased the intensity of supervision and enhanced our urine collection efforts. Our office has also increased outpatient services with Integrity House where Santiago will undergo weekly individual meetings.

Please review the attached Probation Form 12A and, if the Court concurs with our recommendation, sign and return the document to the attention of the undersigned. If Your Honor requests an alternative course of action, please advise. We will make ourselves available should the Court wish to discuss this matter.

Respectfully submitted,

CHRISTOPHER MALONEY, Chief
U.S. Probation Officer
